Dear Friends,

This may seem like the wrong way to start a letter. But the story we are about to tell you is about a building. A long, storied, and beloved building. A building that has seen many changes and is now about to undergo even more. It is the Colonial Theatre in Phoenixville, Pennsylvania. A place loved, lived in, and cared for by so many over the years. 

In late 2015, our Board of Directors approved a campaign to raise funds for the Colonial, to take it to the next level. What we’ve had so far has been nothing short of amazing. The Colonial has always been a place where people come to relax, enjoy, and be lifted up. It is a beautiful, historic venue that has been a part of our community’s life for over a century. Our goal was to enhance it even further, to make it more accessible, and to keep it here for many more years. 

So far, we have raised more than $500,000 towards the $1.5 million goal for the campaign. This is a significant milestone, and we are immensely grateful to everyone who has contributed. Without you, this would not be possible. 

The campaign is coming to an end, but the work is far from over. Building improvements are ongoing, and we are excited to share more about them in the months to come. The Colonial is a special place, and we are committed to its continued success and growth. 

Thank you for your continued support. It is because of you that the Colonial will thrive. And we can’t wait to see what the future holds. 

Warmly and with gratitude for your patronage,
