Dear Friends, Patrons & Members,

Welcome to Spring 2019 at the Colonial! As usual our calendar is full of wonderful new movies, classic films and special events!

This May marks two years since we opened the expanded Colonial - and this fall will mark the 20th Anniversary of the Colonial’s reopening! We appreciate everyone’s continued enthusiasm and support throughout the years.

As we head into our next chapter, we are not only dedicated to offering you more film, more live entertainment and more guest presentations from our neighborhood non-profits and community groups, we are also focused on revitalizing our membership program and messaging.

You may have already spotted our new logo on our emails, letters, posters and pamphlets. As much as we loved our classic Colonial logo with medallion motif, we (and many of you) thought it was time for a new logo that better reflected our current mission to inspire audiences by presenting exceptional and eclectic film and performance for all. The new logo can also be seen on our new Membership Cards that many of you have already received or will be receiving upon renewal.

Speaking of our membership programs, you may have noticed that some new names for our various membership levels - along with some new additional benefits, including No Processing Fees on Film Tickets, Discounts or perks at participating local businesses and organizations, and a Free One-Year Subscription to Film Comment Magazine (Director and Visionary Memberships Only). We have also introduced a new discounted membership for Activer Military & Veterans and a new monthly plan called The Film Lovers Club that gives you Free Admission to all regular Classic, Cult Cinema and Fright Night Films!

And those are just a few of the many new and exciting things we have planned for you in the near future.

As we head into our 20th year of operation, we want to thank you for allowing us to bring you the best film and live events to your community.

Wishing you all the best this spring,

Ken Metzner, Executive Director
On behalf of the staff and the Board of Directors of ACT
